2016 SCIENTIFIC BREAKTHROUGH

WHO?

Who was involved: scientists, researchers, companies, organizations? What were their roles?

Why was the research being done and/or how was the discovery made?

BACKGROUND

INTERESTING FACTS

Did you find something interesting that doesn't fit in another box? Put it here!

What happens now? How will this change the world? Is there more research that needs to be done? Why is this important?

NOW WHAT?

Which did you choose?
